KI NO TEA Kyoto Dry Gin

This limited-edition gin, honored at IWSC 2018, offers an exceptional sensory experience, characterized by rich notes of white chocolate, juniper and hinoki.

This Japanese gin is made from Tencha and Gyokuro teas, which bring sweetness, intense aromas and deep flavors

70cl. - alc. 45.1% vol.

Product Type: Gin
Category: Gin
Alcohol: Alc. 45.1% Vol.
Format: 70cl bottle
Producer: Kyoto Distillery
Region: Pref. of Kyoto

About the distillery : Kyoto distillery uses leaves harvested from the Okunoyama tea field, whose origins date back to the 1300s. These carefully selected leaves are blended with other botanicals according to a unique recipe specially developed for Ki No Tea.

Detailed tasting notes : Ki No Tea offers a delicate nose revealing notes of green tea and vanilla. On the palate, a rich experience develops with nuances of white chocolate, juniper and hinoki. The finish is notably long and remarkably pure.
