

# Super Nikka

## Product features:

Product Type: Japanese whisky

Category: Blended

Alcohol: Alc. 43% Vol.

Format: 70cl bottle

Producer: Nikka

## Product short description:

Super Nikka Whiskey has kept a great popularity since its introduction in 1962. This blend offers a subtle harmony between fruity, a very light peat, and notes of old sherry casks.

## One of the classic brands of Nikka in Japan

70cl - alc . 43% vol.
