Price indicated for the set

Product description:

Fujinishiki Tokubetsu Junmaï : in this Tokubetsu Junmaï we find all the elements that make a sake complex: light acidity, umami, sweetness and cereal notes. All in perfect balance. No extraneous flavours! If you like this style, this is an extremely clean and crisp sake.

A ultra neat sake!

Fuji Sakazuki : a beautiful sake cup with the eternal motif of the beloved Mount Fuji.

Stoneware - Made in Japan
Capacity 60ml
